

Sl.No	Registration / Enrollment No.of the Student for Ph. d Program	Name of the Ph.D Scholar	Full Time / Part Time	Year of Admission	Name of the Guide	Research Topic
1	161603004	Dr Jayalakshmi Somasundaram	Full Time	2016	Dr. M S Nivedhitha	Evaluation Of Biocompatibility, Antimicrobial Efficacy And Other Desirable Properties Of Various Phytochemical Agents For Use In Endodontitis
2	161603005	Dr. B. Mohd Omar Farooq	Part Time	2016	Dr. M S Nivedhitha	An In Vitro Evaluation Of The Antibacterial Efficacywith Chronic And Mechanical Properties Of Glass Ionomer Cement – Fuji Ix Incorporated With Three Antibiotics
3	161703019	Dr.Manish Ranjan	Full Time	2017	Dr. M S Nivedhitha	Comparision Of 3d Printed And Conventional Custom Made Cast Post And Core Patterns System - A Clincial Study
4	161703010	Dr.S.Delphine Priscilla Antony	Full Time	2017	Dr.Aravind Kumar.S	Evaluation Of Antimicrobial Efficacy Of Coleus Aromaticus As A Root Canal Irrigant
5	161805001	Dr.Kavallapurapu Venkata Teja	Full Time	2017	Dr. Sindhu Ramesh	Comparative Evaluation Of Novel Automated Irrigation Device With Side Vented Needle Irrigation On Bacterial Cfu Counts In Non Vital Teeth - A Randomised Controlled Trail.
6	161703003	Dr. Poorni S	Part Time	2017	Dr. M S Nivedhitha	Interaction Of Specific Bacterial Probiotic Strains With Bacterial Species Associated With Dental Caries Identified Using Molecular Analysis
7	161703012	Dr.Lavanya Anumula	Part Time	2017	Dr.Sindhu Ramesh	Evaluating The Effect Of Two Herbal Extracts In Inhibiting Endogenous Matrix Metalloproteinase (mmp) Activity And Enhancing The Dentin Bond Durability - A Randomised Clinical Trial
8	161803100	Dr.Neena Chandran	Part Time	2018	Dr.Sindhu Ramesh	Evaluation Of Antimicrobial And Cytotoxic Effect Of Biogenically Synthesized Silver Nanoparticle As Afinal Irrigant On E-fecalis
9	161803094	Dr.Iffat Nasim	Part Time	2018	Dr.V.Vishnu Priya	Synthesis, Characterization, Antimicrobial Efficiency Of Calcium Hydroxide And Graphene Based Silver Nanoparticle Intra Canal Medicament And Its Clinical Validation - A Randomized Clinical Trial
10	161903017	Dr. Aisha Habeeb	Part Time	2019	Dr. Sindhu Ramesh	Antibacterial Efficacy Of Silver Nano Particles Biosynthesized Using Calotropis Procera Extract.
11	151906003	Dr.Kalyani Behera. A	Full Time	2019	Dr.Sindhu Ramesh	Antimicrobial Efficiency Of Magnesium Oxide Nano Particles(mgonps) Based Intracanal Medicaments Is Patients With Apical Periodontics- A Randomized Clinical Trial
12	151906008	Dr.Krishna Kanthjaju	Full Time	2019	Dr.Sindhu Ramesh	Compartive Evaluation Of Anesthetic Efficacy Of Needleless Anesthesia And Conventiounal Anaesthesia In Patients With Symptomatic Irreversible Pulpitis . A Randomised Control Trial
13	151906006	Dr.Keerthika. R	Full Time	2019	Dr. Sandhya	Comparative Evaluation Of Bacterial Reduction By Laser Activated Irrigation Technique(lai) With Conventional Needle Irrigation (cni)in Single Rooted Teeth With Pulpal Necrosis – A Single Blinded Randomized Controlled Clinical Trial
14	161903001	Dr. M. Shahul Hameed	Part Time	2019	Dr. R. Sandhya	Comparative Evaluation Of Triple Antibiotic Paste And Triple Antibiotic Paste Loaded Nanocarriers ( Tap-n) On Antibacterial Efficacy And Dentinal Tubule Disinfection Against E.faecalis Biofilm.

15	161903007	Dr. Anoop Samuel	Part Time	2019	Dr. Sindhu Ramesh	Design And Development Of A Bio Sensing Endomotor,its Validation By Invitro And Invivo Studies.
16	162003042	Dr. Shahnaz	Part Time	2020	Dr. Sindhu Ramesh	Comparative Evaluation Of Fracture Resistance Of Endodontically Treated Teeth Using Various Irrigation Protocols And Sealers : An Ex Vivo Study.
17	162105001	Dr. Nishitha Arun	Full Time	2021	Dr. Sindhu Ramesh	Evaluation Of Anti-inflammatory Property Of Seleno Papaya-chitosan(spc) Nanocomposite As Intracanal Medicament In Apical Periodontitis - A Randomised Controlled Clinical Trial.
18	162103015	Dr. Kavitarani B Rudagi	Part Time	2021	Dr. Sindhu Ramesh	Detection And Evaluation Of Point Of Care Management Of Moderate Carious Lesions By 3 Different Methods - A Double Blinded Randomised Control Trial
19	162103035	Dr. Anithakumari. R	Part Time	2021	Dr. M S Nivedhitha	Comparative Evaluation Of Two Different Working Length Determination Methods In Endontic Treatment Of Hypercementosed Teeth And Their Effect On Postoperative Pain- Randomised Control Trial
20		Dr. Astha Ajay Bramhecha	Full Time	2021	Dr. M S Nivedhitha	Arginine Containing Toothpaste In Caries Prevention: A Randomised Controlled Trial
21	152006006	Dr. Anjali Sankar	Full Time	2021	Dr. Sindhu Ramesh	Comparison Of Antimicrobial Efficacy Of Chlorhexidine Combined With Nanochitosan And Chits On Particle As Root Canal Irrigants In Irreversible Pulpitis: A Randomised Controlled Trial
